September 18, 2022

HOLY TRINITY WAS SELECTED by the state of Massachusetts to be part of the emergency response team. For Holy Trinity this includes the state providing 4 license nurses and 6 C.N.A to help support the staffing need and to continue to admit patients to the sub-acute floor. Holy Trinity was selected because of its high quality-care rating, and 2 years of deficiency free surveys. Since the program started Holy Trinity has had 333 admissions in 8 months — an average of 40 admission per month. Holy Trinity's volume admission surpasses other skilled nursing homes in Central Mass. Because of this success, the state has extended the program through March 2023.

THE NATIONAL GREEK ORTHODOX LADIES PHILOPTOCHOS SOCIETY has given Holy Trinity a grant in excess of \$22,000. These funds are targeted to replace and upgrade old and non-functioning furniture on the first-floor subacute unit, with furniture specifically designed for older adults or those in need of adaptive equipment, while also holding up to higher-than-normal wear and usage.
