**CONGRADULATIONS TO ALL OF OUR HARD-WORKING
EMPLOYEES THAT GO ABOVE AND BEYOND EVERYDAY!**

2025 Silver – Achievement in Quality Award

The American Health Care Association and National Center for Assisted Living (AHCA/NCAL) has announced the *2025 Silver – Achievement in Quality Award* recipients. MSCA is proud to recognize four member facilities that have earned this achievement.

“We are extremely proud of and grateful to the four member facilities that have been selected as AHCA/NCAL Silver Quality Award recipients this year,” said Tara Gregorio, President of Mass Senior Care Association. “This achievement is an extraordinary honor and a testament to the leadership and dedication each of these facilities has to ensuring quality resident care.”

The Silver National Quality Award is the second of three levels in the AHCA/NCAL National Quality Award Program. The program recognizes long term and post-acute care facilities that meet progressively rigorous standards of performance to further improve the lives of their residents and staff.

HOLY TRINITY NURSING & REHABILITATION CENTER is among 209 total recipients in 40 states that earned the Silver Award this year. “I am so proud of our Silver recipients today,” said Clif Porter, President and CEO of AHCA/NCAL. “Achieving this award level reflects the pursuit of a better way to quality improvement—turning process into purpose. The strong dedication of these providers sets a powerful example for others in our profession to follow.”

The 2025 National Quality Award Recipients will be recognized during the Elevating Excellence Awards Ceremony at AHCA/NCAL’s Convention & Expo Las Vegas, NV on Tuesday, October 21, 2025.
